6. Approval of Regular Agenda Meeting

**APPROVED UNANIMOUS** Motion made by Member Michaels, Second by Member Pease to Approve the Agenda of the Regular Governing Board Meeting, December 12, 2023. *Unanimous*

7. Public Comment

7A. A. Wilkinson, teacher OEN - Wilkinson wants teachers to have better access to budget information and understand how the budget process works and how monies are allocated. She also would like to know if we have a lobbyist for school-related issues.

*Superintendent Collins invited Wilkinson and all teachers, stakeholders, etc., to attend the CSA Budget Workshops #1 (April 9) and/or Budget Workshop #2 (May 14) to get an idea of how budget lines are developed and funding is approved. Each budget workshop will start at 4:00p.m. and the Regular GB Meeting will follow. The City does have a lobbyist with education specific experience; Collins will connect with them for more advice/direction.*

7B. K. Gault, teacher OES - Commented on the charter school's new requirement to use the free phone app Duo or a Frequency Operated Button (fob) key to access the charter schools' networks. For personal reasons Gault is not in favor of using the device, she's unhappy with the (unexpected) requirement that the phone app or fob is to be used, and unhappy with the \$25 cost incurred by teachers who decide to not upload the free app on their personal phones. Gault is also concerned about the City's ITS department's ability to manage network security issues.

*Duo is a two-factor security authentican biometric that allows users to safely enter/exit an organization's network. Superintendent Collins reviewed the Duo and/or fob key introduction to the system and usage timeline. Collins said she is aware the \$25 cost may be a burden to those who choose to not upload the free phone app, and that she is willing to work with whomever needs support.*

*Member Long, Dist 6 suggested an option could be to have the cost of the fob somehow subsidized so teachers don't have to pay.*

*Member Michaels and Member Minaya encouraged the superintendent to approach the Foundation for a possible grant to cover costs that could possibly come up in the next school year.*

*Member Pease said he would like to first see a survey given that shows an interest level. If 20+ people prefer the fob over the free phone app, a budget conversation may be necessary.*

### Background

The Cambridge University AICE curriculum is a challenging program designed to adequately prepare students for university coursework. This prestigious program features an advanced academic curriculum and assessment program designed by the University of Cambridge in England. Students in the AICE program can earn college credits while in high school, and subsequently, become eligible for the Florida Bright Futures Scholarship Program. Oasis High School is one of the few high schools to offer this program in Lee County, which helps to distinguish the school amongst the many high school choices.

### Request for Approval

The cost of this program varies from year to year based on the number of students that enroll in each class. Consequently, the charter school has received an invoice for AICE assessments in all coursework offered this year in the amount of \$149,094.70. Since the invoice surpasses the \$100,000 purchasing threshold, Oasis High School is requesting Jacquelin Collins, Superintendent, Oasis Charter Schools to approve the purchase order for this impressive program.

To Whom It May Concern:

Students Against Violence Everywhere (SAVE) Promise Clubs are a youth leadership initiative of Sandy Hook Promise. Led by the SHP Youth Advisory Board, the aim is to empower young leaders to take an active role in increasing school safety and preventing different forms of violence in schools and communities. Youth-led SAVE Promise Clubs offer a powerful approach to preventing violence because they recognize the unique role that young people play in making their schools and communities safer.

The \$500 grant schools receive is for the SAVE Promise Clubs to purchase materials to run activities, purchase SAVE Promise Club t-shirts, host a community event, etc. A SAVE Promise Club can be a stand-alone or embedded into an existing club, such as SADD, Student Council, FCCLA, or another student leadership, civic, or kindness club. Many SAVE Promise Clubs successfully meet only once or twice a month and organize four activities throughout the year. SAVE Promise Clubs Creates Lasting Change That Leads to Safer Schools.

Good Morning Roxie

I have the \$250 RDSO from the Sandy Hook Promise Foundation. I see that you have it going to IF425-National Honor Society. Do you have any other backup to go along with this?

Jenn – Do you have any objections to this going to the National Honor Society based on the Letter we received with the OMS donation? Does this type of donation require Governing Board Approval? The High School received \$250.

The SAVE Club Grant was approved last evening. Per the letter we have two options for spending the funds, we can either create a new Internal Fund

#### 0124 - STANDARDS OF ETHICAL CONDUCT

The Governing Board hereby establishes the following as the standards of ethical conduct for all members of the Board:

A. A Board member shall:

1. make a reasonable effort to protect the student from conditions harmful to learning and/or to the student's mental and/or physical health and/or safety.
2. not unreasonably restrain a student from independent action in pursuit of learning.
3. not unreasonably deny a student access to diverse points of view.
4. not intentionally expose a student to unnecessary embarrassment or disparagement.
5. not intentionally violate or deny a student's legal rights.
6. not harass or discriminate against any student on the basis of race, color, religion, sex, age, national or ethnic origin, political beliefs, marital status, handicapping condition, sexual orientation, or social and family background and shall make reasonable efforts to assure that each student is protected from harassment or discrimination.
7. not exploit a relationship with a student for personal gain or advantage.
8. keep in confidence personally identifiable information obtained in the course of professional service, unless disclosure serves professional purposes or is required by law.
9. take reasonable precautions to distinguish between personal views and those of any educational institution or organization with which the individual is affiliated.
10. not intentionally distort or misrepresent facts concerning an educational matter in direct or indirect public expression.
11. not use institutional privileges for personal gain or advantage.
12. accept no gratuity, gift, honoraria, or favor that might influence professional judgment.
13. not directly or indirectly solicit any gift or knowingly accepting, directly or indirectly, a gift valued in excess of \$50.00 or an honorarium, from a person, vendor, potential vendor, or other entity doing business with the Board, from a political committee, or from a lobbyist (are related individuals and entities) who lobbies the reporting individual's agency. "Vendor" is defined by F.S. 112.3148 relating to gifts and F.S. 112.3149 relating to honoraria to mean a business entity doing business directly with an agency, such as renting, leasing, or selling realty, goods, or services. The term "gift" has the same meaning as in F.S. 112.312(12). This prohibition applies as well to relatives, as defined in F.S. 112.312(21).

14. offer no gratuity, gift, or favor to obtain special advantages.
15. maintain honesty in all professional dealings.
16. not on the basis of race, color, religion, sex, age, national or ethnic origin, political beliefs, marital status, handicapping condition if otherwise qualified, or social and family background deny to a colleague professional benefits or advantages or participation in any professional organization.
17. not interfere with a colleague's exercise of political or civil rights and responsibilities.
18. not engage in harassment or discriminatory conduct which unreasonably interferes with an individual's performance of professional or work responsibilities or with the orderly processes of education or which creates a hostile, intimidating, abusive, offensive, or oppressive environment; and, further, shall make reasonable efforts to assure that each individual is protected from such harassment or discrimination.
19. not make malicious or intentionally false statements about a colleague.
20. not use coercive means or promise special treatment to influence professional judgments of colleagues.
21. not misrepresent one's own professional qualifications.
22. not submit fraudulent information on any document in connection with professional activities.
23. not withhold information regarding a position from an applicant or misrepresent an assignment or conditions of employment.
24. not assist entry into or continuance in the profession of any person known to be unqualified in accordance with these *Principles of Professional Conduct for the Education Profession in Florida* and other applicable Florida statutes and State Board of Education rules.
25. self-report within forty-eight (48) hours to appropriate authorities (as determined by the Authority) any arrests/charges involving the abuse of a child or the sale and/or possession of a controlled substance. Such notice shall not be considered an admission of guilt nor shall such notice be admissible for any purpose in any proceeding, civil or criminal, administrative or judicial, investigatory or adjudicatory. In addition, Board members shall self-report any conviction, finding of guilt, withholding of adjudication, commitment to a pretrial diversion program, or entering of a plea of guilty or Nolo Contendere for any criminal offense other than a minor traffic violation within forty-eight (48) hours after the final judgment. When handling sealed and expunged records disclosed under this rule, the Authority shall comply with the confidentiality provisions of F.S. 943.0585(4)(c) and 943.059(4)(c).
26. report to appropriate authorities any known allegation of a violation of the Florida School Code or State Board of Education rules as defined in F.S. 1012.795(1).
27. seek no reprisal against any individual who has reported any allegation of a violation of the Florida School Code or State Board of Education rules as defined in F.S. 1012.795(1).
28. comply with all duties and responsibilities set forth in the K-20 Education Code and the Code of Ethics for Public Officers and Employees.

B. All Board members shall adhere to the principles enumerated above. Each Board member must recognize that decisions must be made by the Board as a whole and that when made, these decisions must be supported by the entire Board. Furthermore, pursuant to F.S. 1001.42(7), a Board member may not knowingly sign and transmit to any State official a report of alleged misconduct by instructional personnel or school administrators which affects the health, safety, or welfare of a student which the Board member knows to be false or incorrect, or knowingly fail to adopt policies that require instructional personnel and school administrators to report alleged misconduct by other instructional personnel and school administrators, or that require the investigation of all reports of alleged misconduct by instructional personnel and school administrators, if the misconduct affects the health, safety, or welfare of a student. Violation of these provisions will result in the forfeit of the Board member's salary for one (1) year.

All Board members shall complete four (4) hours of ethics training annually that addresses, at a minimum, the constitutional "Sunshine Law" provisions (Article II, Section 8), the statutory Code of Ethics for Public Officers and Employees (F.S. Chapter 112, Part III), and the public records and public meetings laws. This requirement may be satisfied

by completion of a continuing legal education class or other continuing professional education class, seminar, or presentation if the required subjects are covered.

Members of the Board are also required to complete training annually on the standards of ethical conduct established in this bylaw.

#### **Appointment or Employment of Relative**

Pursuant to F.S. 1012.23(2), Board members may not appoint or employ a relative, as defined in F.S. 112.3135, to work under their direct supervision. This limitation does not apply to employees appointed or employed before the election or appointment of the Board member.

**MEMORANDUM**

**TO:** District School Superintendents

**FROM:** Suzanne Pridgeon

**DATE:** January 25, 2024

**SUBJECT: 2023-24 Local Capital Improvement Revenue for Eligible Charter Schools**

Section 1013.62(3), F.S. requires school districts to distribute to eligible charter schools, by February 1, 2024, local capital improvement (LCI) revenue from the discretionary millage authorized in section 1011.71(2), F.S. Attached are a district-level summary and a summary by charter school of the required distribution amounts, as calculated by the Florida Department of Education (FDOE). For the 2023-24 fiscal year, each school's distribution is equivalent to 20 percent of the maximum calculated amount, as required by section 1013.62(3)(d)1., F.S. The specific methodology of the calculation was outlined in the Technical Assistance Note No. 2023-03 sent out on September 26, 2023.

Please note that each school district's LCI amount has been reduced by its annual debt service obligation incurred as of March 1, 2017, and paid during the 2023-24 year from LCI funds, and by its Special Facility Construction Program participation requirement, if applicable. Each school district is responsible for amending eligible charter school payments after the end of the fiscal year if it does not expend the full certified debt service. Examples may include federal interest expense subsidies or Special Facility Construction Program participation requirement certified to FDOE earlier in the year.

Each charter school's distribution amount has been reduced by the state funds allocated for charter school capital outlay, pursuant to section 1013.62(2), F.S., if applicable.
